### Pomaine de da Renaudia MATION

This Domaine is owned by Patrcia and Bruno Denis and they produce incredible ₩anes from their tiny farm with help from family members. Patricia is the oenologist and Bruno the winegrower. This is a modest family-run operation, but these two have worked hard over the years to develop the quality and Character of their wines, drawing on their experience further afield in the industry. Their intentions are simple: to make elegant wines that will bring pleasure to lovers both of wine and of life.
