

Catherine et Didier Tripoz Bourgogne Pinot Noir 2021

COUNTRY

France

REGION

Burgundy

PRODUCER

Catherine & Didier Tripoz

ABV

13

GRAPE VARIETY

Pinot Noir

TASTING NOTE

The intensity of woodland character from old vines means this Pinot drinks like a far more expensive Cru. A Burgundy which is dignified and Southern from a plot of 70 year old vines. The mouth feel is plush and velvety with excellent presence while countered by a structural backbone of acidity giving the wine completeness and resolve.

PRODUCER INFORMATION

Didier Tripoz epitomises the small grower culture that is both the great strength and weakness of Burgundy. The rise of the small owner/grower as opposed to the large negociants has had mixed blessings. It needs the dedication and care of someone like Didier to make a relatively small parcel of vineyards work. That said, Domaine bottling has certainly put the emphasis on terroir and vineyard specific wines, rather than anonymous house styles.
